

More than meets the eye: scholarly literature retrieval and library services for PhD students

Intended Audience: PhD students; **Duration:** 8 (+2) hours

Delivery: face-to-face

When: 2024; February 1st and February 15th; 9am to 2pm

Where: University of Trieste – Main Campus (**Edificio A - Corpo Centrale – Aula A**)

Learning goals

- Understanding scholarly information on the web and web search strategies
- Becoming familiar with the main tools and services for literature search offered by the University of Trieste
- Increasing awareness in the retrieval of scholarly information and documentation: articles, books, essays, conference proceedings, a.s.o., both in digital and print formats.
- Learning to use *Zotero* to manage references, format footnotes and bibliographies.
- Learning how to upload research outputs to ArTs, the institutional repository
- Being aware of the role of the *University press* in scholarly communication
