CWB

1. Discutere il comportamento generale e azioni da porre in atto in caso di una emergenza dovuta ad una sostanza chimica pericolosa per la salute (es. sversamento, contatto con operatore).

2. Discutere il comportamento meccanico tipico di materiali metallici.

3. Come si fa, in Excel, ad ordinare i valori presenti in una colonna secondo un ordine decrescente?

4. Leggere ad alta voce, e quindi tradurre, il seguente testo:

"This is important information; please read carefully before installing or using this instrument.

1. The spectrophotometers are designed for operation by trained personnel who are aware of the principles and applications involved.
2. The spectrophotometer is a sensitive electronic and optical instrument designed for use in a laboratory environment. Careful adherence to the installation instructions must be observed. If in doubt contact a relevant and competent authority for advice before proceeding.
3. In addition to observing the instructions detailed in the Operating Manual and Service Manual for this instrument all installation, operating and service personnel must be aware of, and employ, a safe system of work."

5. Il candidato spieghi il contenuto del codice etico adottato dall'Università degli Studi di Trieste.
